Under the Family Medical Leave Act, if you have worked at least one year and 1250 hours in the past 12 months, you may be eligible for up to 12 weeks unpaid leave under specific circumstances. You are entitled to receive health benefits as if you were still working. When returning to work, you will be reinstated to the same or an equivalent position with the same pay, benefits and terms and conditions of employment. If you do not return to work following FMLA leave (for a reason other than the continuation, recurrence or onset of a serious health condition which would qualify as an FMLA event or other circumstances beyond your control), you may be required to reimburse us for our share of health insurance premiums paid on your behalf during your FMLA leave.
